Payment of the charges and payment obligations

The aircraft owner, user and/or person acting as the representative of the owner of the aircraft are jointly and severally liable for the payment of the charges in this price list.

All rates are in SEK and are exclusive of any taxes or levies payable thereon. The total amount shall be rounded off to the next full SEK. Value added tax shall be paid according to the applicable law.

All charges prescribed according to this price list are due for immediate payment to Halmstad Flygplats AB. Unless otherwise agreed in writing, the owner, pilot or representative of the aircraft shall report to the Airport Office immediately before takeoff or immediately after landing at the airport.

Invoicing is the standard form of payment at HAD. Agreement can be made concerning periodic invoicing, provided the owner or user of an aircraft operates on a regular basis or has higher volumes of traffic. Payment terms may not exceed 30 days.

New company shall pay in advance with a performa.

Upon request, the airline is obliged to make all necessary information available to HAD for credit rating purposes. All information received will be treated confidentially.

If HAD considers the outcome of such credit rating to be unsatisfactory, the airport may request a first class on demand bank guarantee for a suitable amount from the airline on order to grant the airline periodic settlement of account.

In the event of failure to the charges due, the following provisions shall furthermore apply:

- Interest will be charged on overdue invoices in accordance with Swedish interest law.
- In the event of failure to pay, HAD may inform the airline that it will not be allowed to operate from HAD until all charges plus interest and service fees have been paid in full
- In the event of failure to pay, HAD is entitled by law to take legal action against the aircraft including but not limited to attachment of the aircraft itself, its fuel and engines irrespective of who may be from time to time the owner of such assets and HAD will, without incurring any liability from the owner of the aircraft, the holder and user thereof and any person action as the representative of the owner, the holder or user thereof be entitled to prevent the aircraft from departing from HAD until all charges have been paid in full

*Halmstad***City***Airport*

- Immediately after failure to pay, HAD may demand a Banker's guarantee for the amount due and for expected charges for the following three months
- After failure to pay HAD may change its agreed payment terms concerning periodic invoicing and revert to immediate payments for future take offs from the airport
