30% increase for arrivals or departures between 2230-0600lt or between Friday 2230 until Monday 0600lt if the time is outside Airport openings

# Halmstad City Airport

Arrival or departure (+/- 60 min) outside will create an additional charge of 100% of rate per operations. Please note that the airport has to be open 2 hour before scheduled departure if check in is required 2 hour prior to departure.

In case other operators are operating on behalf of the Carrier the above charges will be charged and the services above shall be performed. The carrier is responsible against the handling company for any cost on behalf of such operator.

A cancellation fee of 100 % of the above rates is applicable, unless notice is given to the Handling Company by the Carrier 24 hours (cancellation must be done mon-fri 08.00-15.00 local time) prior to the scheduled time of arrival of the particular flight.

## **Other service**

Other service is performed by Halmstad City Airport. For any quotes or questions please contact operation

## **Payment of the charges and payment obligations**

The aircraft owner, user and/or person acting as the representative of the owner of the aircraft are jointly and severally liable for the payment of the charges in this price list.

All rates are in SEK and are exclusive of any taxes or levies payable thereon. The total amount shall be rounded off to the next full SEK. Value added tax shall be paid according to the applicable law.

All charges prescribed according to this price list are due for immediate payment to Halmstad Flygplats AB. Unless otherwise agreed in writing, the owner, pilot or representative of the aircraft shall report to the Airport Office immediately before takeoff or immediately after landing at the airport.

Invoicing is the standard form of payment at HAD. Agreement can be made concerning periodic invoicing, provided the owner or user of an aircraft operates on a regular basis or has higher volumes of traffic. Payment terms may not exceed 30 days.

New company shall pay in advance with a performa.

Upon request, the airline is obliged to make all necessary information available to HAD for credit rating purposes. All information received will be treated confidentially.

If HAD considers the outcome of such credit rating to be unsatisfactory, the airport may request a first class on demand bank guarantee for a suitable amount from the airline in order to grant the airline periodic settlement of account.

In the event of failure to the charges due, the following provisions shall furthermore apply:

- Interest will be charged on overdue invoices in accordance with Swedish interest law.
- In the event of failure to pay, HAD may inform the airline that it will not be allowed to operate from HAD until all charges plus interest and service fees have been paid in full
- In the event of failure to pay, HAD is entitled by law to take legal action against the aircraft including but not limited to attachment of the aircraft itself, its fuel and engines irrespective of who may be from time to time the owner of such assets and HAD will, without incurring any liability from the owner of the aircraft, the holder and user thereof and any person action as the representative of the owner, the holder or user thereof be entitled to prevent the aircraft from departing from HAD until all charges have been paid in full

# Halmstad *City* Airport

- Immediately after failure to pay, HAD may demand a Banker's guarantee for the amount due and for expected charges for the following three months
- After failure to pay HAD may change its agreed payment terms concerning periodic invoicing and revert to immediate payments for future take offs from the airport
